

EDN205: Task 1 Report Guidelines

- Use APA 6th Style references and ensure you include in-text references to acknowledge other people's ideas.
 - Save your completed document as a PDF and attach it to the teachers page on your website
 - Arial 11pt or Times New Roman 12pt or similar (max. 1,500 words = approx. 3 pages) with standard 2cm or 2.5cm margins.
-

Task 1 - Website Considerations

Introduction

What is this report about? Why is it important?

Web design issues

Describe key design issues and explain what impact they have on creating a website.

Web implementation issues

Describe key implementation issues and explain what impact they have on creating a website.

Website considerations

What technology did you use to create your website? Why? How did you address the key design & implementation issues described above when you created your own website?

Conclusion

Summary of key points and/or recommendations for other teachers.

References

Include a complete end-text reference list using APA 6th style
